

Join us at the
**3rd Annual Orthopedic
Education Day**

**Friday, October 30, 2015
7:30 AM - 4:00 PM**

The Grandview
176 Rinaldi Boulevard
Poughkeepsie, NY 12601

Accreditation

Vassar Brothers Continuing Medical Education is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

AMA Credit Designation: Vassar Brothers Continuing Medical Education designates this live education activity for a maximum of **7.00 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing Accreditation: 7.00 CME = 7.00 contact hours.

AAPA Accreditation: AAPA accepts certificates of participation for educational activities certified for category 1 from AOACCME, prescribed credit from AAFP, and **AMA PRA Category 1 credit**[™] from organizations accredited by ACCME or a recognized state medical society. Physician Assistants may receive a maximum 7.0 of Category 1 credits for completing this program.

Physical Therapy: Vassar Brothers Medical Center is recognized by the New York State Education Department's State Board for Physical Therapy as an approved provider of physical therapy and physical therapist assistant continuing education. This activity has been approved for 7.0 hours.

Occupational Therapy: 7.0 CME = 7.0 units
To claim units, you must submit your certificate of attendance with the activity brochure to NBCOT: www.nbcot.org/pduchart.

Americans With Disabilities Act: We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us to better serve you. Please notify us of your needs in advance of the program. Thank you.

Disclosure: In accordance with the disclosure policies of Vassar Brothers CME, the effort is made to ensure balance, independence, objectivity and scientific rigor in all educational activities. These policies include resolving all conflicts of interest between faculty and commercial interests that might otherwise compromise the goal and educational integrity of this activity. All faculty members participating in this activity have disclosed all significant relationships - financial or otherwise - with the manufacturers or providers of products or services mentioned in the activity. The planners of this activity have reviewed these disclosures and have determined that the faculty relationships are not inappropriate in the context of their respective presentations and are consistent with the educational goals and integrity of the activity.

Thus far, the planners and faculty participants do not have any financial arrangements or affiliations with any commercial entities whose products, research or services may be discussed in these materials.

Thus far, no commercial funding has been accepted for the activity.

Conference Overview

Who should attend

Primary care and family medicine physicians, surgeons, nurses and allied health professionals who care for patients with orthopedic disorders.

What is covered

The latest advances in clinical care for orthopedic disorders, including new insights and diagnostic and treatment options from a team of experts.

Learning objectives

Following the completion of this course, the learner will be better able to:

- Evaluate activities that are associated with an increased risk of traumatic brain injury and consider appropriate management
- Compare new and evolving concepts in trauma and fracture management from initial evaluation through rehabilitation
- Evaluate and treat common sports injuries of the shoulder, elbow, hip, knee, fingers and ankle
- Describe trends in anesthesia for orthopedic surgery
- Compare various options for disc replacement surgery
- Recognize different types of pain management procedures
- Evaluate various options available for robot-assisted and computer-assisted orthopedic surgery and navigation devices

For more information, call **(845) 483-6013** or email **rbaker1@health-quest.org**

Accessibility/TTY: (800) 421-1220
